Workshop 1 - Accelerated Route to Fellowship

The Accelerated Route to Fellowship Programme is designed for legal practitioners with at least 10 years experience in dispute resolution procedures. Fellowship is the highest grade of Institute membership and allows the use of the designation FCI Arb. The Programme focuses on applicable laws and procedures for the conduct of efficient arbitration hearings in complex international cases. It is designed for experienced practitioners to demonstrate their knowledge, skills and expertise, and to share experiences with others at a “masterclass” level. Built into this course is the “train-the-trainers” programme where candidates of ability are mentored to be trainers for future courses.

Who Should Attend? Practising lawyers with at least 10 years litigation experience and a good knowledge of international private law and arbitration; arbitrators who have been working either as arbitrators or arbitration counsel for at least 10 years.

Assessment:

Satisfactory assessment of performance in high-level discussions and role play exercises will permit the candidate to take the award writing examination, which will be administered as part of the programme, for qualification as a Fellow of the Chartered Institute of Arbitrators.

The Accelerated Route comprises three elements:

1. Oral Assessment: This element of the Accelerated Route to Fellowship Programme consists of two days of oral assessment based on a case study of a dispute. You will be assessed on your knowledge, judgment and self-presentation on a series of problems, written exercises and role play, as well as your reasoned award writing ability.

2. Award Writing Examination: This element consists of a written open book examination in which an Award must be written and fully reasoned, based on the evidence in an arbitration proceeding. The exam is administered as part of this 3 day programme. To receive a passing grade, the Award must meet international standards for enforcement.

3. Peer Review Interview: This element follows successful completion of Award Writing and is scheduled at a convenient interval after the workshop concludes by the Chartered Institute of Arbitrators.

Assessment Result: Successful attendance at the Accelerated Route to Fellowship programme allows the delegate to apply for Member status with the Chartered Institute of Arbitrators and to take the Award Writing Examination. Successful completion of the Award Writing Examination and Peer Review Interview allows the delegate to apply to join CI Arb as a Fellow, or to upgrade their ACI Arb (Associate) or MCI Arb (Member) status to Fellow (FCI Arb). Full details of the route to Fellowship are available on CI Arb’s website www.ciarb.org.

1. Pre-course Assignment: Candidates must submit written pre-course questions prior to attending the programme.

2. Workshop Assessment: An interactive 1½ –day assessment series of workshops. Candidates will be split into groups and presented with scenarios where they will consider and work with the legal principles which apply in each situation.
